Make Plans Now to Attend!

Hotel Information

Again this year, we will be hosting the conference at **Tan-Tar-A** Resort at the Lake of the Ozarks. The resort is offering a special room rate of \$104.00 for a standard guest room, up to \$299.00 for a two bedroom suite (plus additional taxes, etc.). **These rates are good 2 days before and 2 days after the conference also.** For reservations, contact Tan-Tar-A at **1-800-826-8272** or on the web at **www.tan-tar-a.com**. Use reservation code FRMA for online registration. **Make reservations by July 28th to receive the special rates.**

Annual Meeting & Elections

The annual business meeting will be held during the Monday & Tuesday luncheons. Due for election this year: **President and Directors in Regions A, C, E, and I.** The new officers will be installed during the Tuesday luncheon.

Awards and Recognitions

Awards and recognitions will be made during the Annual Meeting. **Nominations for the Ed Vineyard Award must be made to the Awards Committee by July 1st to receive consideration.**

Registration includes training materials, breaks, lunch Monday and Tuesday!!

2009-2010 annual membership in the Fire Marshals' Association of Missouri is also included in the registration price.

Continuing Education

This conference offers an exciting opportunity for fire prevention personnel from across the region to attend informative, timely training in a fun, relaxing atmosphere while earning CEU's for Inspector and Instructor re-certification.

Conference Topics

Courage to Be Safe (Train-the-Trainer)

This class from the "Everyone Goes Home" program will provide CEUs for Instructors and Inspectors

NFPA 72 (Advanced) This class will be an advanced class to carry on from the previous NFPA 72 classed brought to us by Art Black.

NFRS: Reporting Fire Service Casualties

This class will cover why it is important to use the Fire Service Casualty Module, when to use the module, what constitutes a "casualty", how to complete the report and additional resources and training available for all NFIRS modules. The information given can be taken back to your jurisdiction and shared with whomever is responsible for your NFRS program.

Firestopping Understanding Firestopping of Penetrations in Fire Rated Floors, Walls and Joints This class will cover the need for firestopping and compartmentalization, types of firestop applications, factors affecting firestop systems, test methods for firestop systems, using the UL directory and a product overview.

Fire Doors This class will go over codes and standards requirements including timing, accountabilities, documentation and more.
