# Fire Marshal Association of Missouri Annual Awards

The Fire Marshal Association of Missouri hands out two awards annually:

The first and most prestigious award is the **Ed Vineyard Award**. This award is one that is bestowed upon any **one** individual association member who has exhibited "special" characteristics, performed above and beyond normal expectations and/or who has been deemed worthy by the membership.

The second award is the **President's Award**. This award is one that is bestowed upon any one or more association member who has furthered the cause of the organization for whatever reason.

All awards are based on those individuals having been nominated by the membership. Below you will find forms to be filled out and submitted to the membership committee either "online" through the FMAM website or they can be submitted by mail to the committee or the organization President. Please submit these at least two weeks prior to the annual conference for evaluation and selection of winners.
